The Israeli occupation of Palestinian lands has been a hardship for people trapped in this decades-long political struggle.

**AUGUSTA VICTORIA HOSPITAL**, a health care facility funded by the Lutheran World Federation (LWF) has served Palestinian refugees in East Jerusalem and the West Bank for over 50 years, and through its humanitarian work continues to be an important expression of the Christian presence in the Holy Land. Augusta Victoria Hospital, situated on the Mount of Olives, was established as a hospital after the war of 1948. Initially under the control of the Red Cross, in 1950 it transferred ownership and management to LWF.

LWF is a global communion of Christian churches in the Lutheran tradition. Founded in 1947 in Lund, Sweden, the LWF now has member churches in 77 countries all over the world, representing millions of Lutherans.
